

NAME:

Music Makers Passport Award

The Music Makers Passport Award allows children to be rewarded for participating in musical activities throughout their primary school career.

A certificate is awarded at each level to children who achieve eighty percent of the statements for each particular stage and is divided into EYFS, K51, Lower K52 and Upper K52.

Music Makers Passport award demonstrates a commitment by the school to the music curriculum and contributes towards offering opportunities for wider cultural experience. This can also be a useful document to support evidence of curriculum progression of musical skills, knowledge and experiences.

Some useful resources that may help achieve some of these statements are listed below:

Charanga, BBC Ten Pieces, BBC School Radio Primary Music, Sing Up, Liverpool Philharmonic School Concerts, SKY Music Hub: Primary Scheme of Work, Music Centres and events.
