Brass Performance on March 25th, 2022.

Dear Parents and Carers

You will be aware that Sefton Brass have been working hard towards the forthcoming performance. We are also welcoming the National Youth Brass Band for this event. I'm pleased to confirm details, as follows: -

This event will be Live-Streamed

After careful consideration, we have decided that the safest option for all concerned is to live-stream this event for parents/carers.

The link for the live stream will be emailed to you before the event. Please note that this link will only be shared with parents and carers of the children/young people involved.

The concert will also be videoed and a passworded link will be sent to you a few days after the performance.

Please note that that there will be no audience at this event.

Pupil Arrival and Departure

Venue: - Greenbank High School, Hastings Road, Southport. PR8 2LT

Arrival Time: - 6.00pm (Performance starts at 7.00pm)

Departure time: - 8.30pm

Parents and carers are solely responsible for the safe arrival and departure of their children.

I would be most grateful if you were able to confirm attendance, permissions, and an email address for the streaming link on the attached form and return it by Friday 11th March.

Thank you for your support.

With all good wishes.

Yours sincerely
